**विषय: Teaching of Additional Subject (Regional or Foreign language) - Allocation of Periods - regarding.**

महोदय / महोदया,

This office has received queries from various quarters regarding the allocation of periods for teaching of additional subject (Regional or Foreign language) in Kendriya Vidyalayas. In order to ensure uniformity and also to facilitate the teaching of the additional subject, it has been decided that the teaching of the additional subject (Regional or Foreign language) in classes VI, VII and VIII be done for three periods per week, by carving out two periods from the four periods of Art Education and one period from the two periods of Work Education, in the existing time-table. In case the Vidyalayas run classes for the additional subject for Classes IX & X, the same arrangement may continue.

This issues with the approval of the Commissioner, KVS.
